

# Hello Glass Man!

We are supplier of IS machine accessory parts in Japan.

We have been producing high quality IS machine accessories, Mold Holder Arm, Insert holder, Neck Ring Holder and other accessories in Japanese market since 1968.

We produce not only standard accessories but also customized accessory for each customer.

We founded company in Shanghai in 2006.

We believe that our products must be the one you are looking for in your glass bottle business and hope you would be interested in our products.

We would be happy to be of service to your glass business and we are looking forward to opportunities to work with you.

Sincerely yours,

樋口寛仁
