## Know about us...

**“HI-TECH REFRACTORY”** is founded and promoted by R. N. Patel in the year of 1997, who had associated with the Steel Industry since long back and got opportunities to work with FLAT PRODUCTS EQUIPMENT(INDIA)LTD. , FURNACE FABRICA(INDIA) LTD., SUPER FURNACE WORKS (I) PVT.LTD., VANCAR THERMALS PVT. LTD, CIRIA INDIA LTD., MURUGAPPA MORGAN THERMAL CERAMICS LTD., KSHITIJ ENGINEERS, ACE CALDERYS LTD., DHANAPRAKAH INDUSTRIAL CORPORATION, BAGS-VIG HI-TECH LTD., TEE CEE ENTERPRISES and etc.

### THE GROWTH :

Initially , the working field had diversified in different industry for undertaking refractory lining job. But later on , we got opportunities to work with many reputed consultant, designers and timely as per requirements , the scope of our activities had been expanded by development of our infrastructure in all aspects.

### PRESENT STATUS:

We pleased to get this opportunities to introduce ourself as a one of the reliable name for Sponge Iron Rotary Kilns and allied construction job as well as other industry furnaces etc., and specialized for undertaking a turnkey job for refractory works. The company is fully capable to undertake any kind and any quantum of job . We also involve in Glass Industry, Petro-chemical, Cement Industry, Power Plant, Forging Industry, Rolling Mills, Incinerator etc.for undertaking refractory applications and steel works.

**QUALITY & PROGRESS :**

We can assure you for work completion period with best work performance in quality and progress, as per your entire satisfaction.

This is possible for us because of our well-managed professional experienced team and our mechanized tools-tackles required for the job.
